

Asset's HABITAT

December 8th, 2008

Status Update:

- ❖ At last the long wait is over, by the grace of Almighty. We have started the long awaited registration process of sites in our premier residential layout at Mysore, **Asset's HABITAT**.
- ❖ Since the time of launching the layout during July, 2006, in spite of our good intentions and best efforts to achieve this milestone, we could do it now; it has taken a little more time to reach this mile stone, due to various reasons which were beyond our control. It was a great learning experience for us all the way till now. We are hoping to capitalize on our learning experience, and we sincerely hope that, here afterwards we spend more time & effort productively, which otherwise we were spending on getting approvals.
- ❖ Since the time of start of our project, we have seen three elected governments of different political parties & coalitions; this period also witnessed governor's rule for a brief period; key decision makers of various approval authorities were changed several times during this period. To provide an example of the severity of this, a commissioner of an authority was changed at least seven times. This period we also witnessed three Dasara celebrations, when, the entire government setup, will be working on this state festival. We witnessed major events like Issue of voters' ID cards prior to state assembly elections, the election process itself, and a by-election. The period also saw disturbances in the area due to Cauvery dispute. Smaller events like elections to other local bodies, etc have not been mentioned here.
- ❖ Today we have registered a site measuring 50' X 80', vide document no MYN-1-11881-2008-09 in the office of Sub-registrar North, Mysore.
- ❖ We are planning to register the sites immediately to those who are making the full payment. The date of registration will be intimated to each client separately.

Asset's HABITAT is a premier residential layout with integrated town planning with all modern utilities, and amenities. It is close to schools, business centers and major highways.

- ❖ Those of you, who are opting for bank loans, will be intimated after the necessary consultation with the bankers.
- ❖ For any questions/comments, please write to:
 - info@assetshoppe.com or
 - navyakiran@assetshoppe.com for administrative/ general questions
 - dinesh0001@gmail.com for any coordination/liaison needs/ updates
 - nagarajsetty@assetshoppe.com for other questions
- ❖ A periodical update will be emailed to you.

Thank you for your patronage
